Financial Responsibility Statement & Agreement

Thank you for choosing Tellurian, Inc. The treatment services you seek imply an obligation on your part to ensure payment in full is made for services received. This Client Financial Responsibility Statement and Consent ("Statement") will assist you in understanding that financial responsibility. Feel free to ask if you have any questions. If someone else (parent, spouse, domestic partner, etc.) is financially responsible for your expenses or carries your insurance, please share this Statement with them, as it explains our practices regarding insurance billing, copayments, and patient billing. By your acknowledgement of this Statement and/or by receipt of treatment services from Tellurian, Inc. ("Tellurian"), you agree:

1. You acknowledge and agree to all FINANCIAL POLICIES at Tellurian. Questions about these policies may be addressed to the Billing Department Staff. These policies may be changed from time to time by Tellurian, without notice. If there is any conflict between the FINANCIAL POLICIES and this CLIENT FINANCIAL RESPONSIBILITY STATEMENT, the FINANCIAL POLICIES shall control.
2. You are ultimately responsible for all payment obligations arising out of your residency at Chandra's House of Hope.
3. Payment of any account balance is due at our Billing Department / Client Account Offices in Monona, WI within thirty (30) days of receipt of your billing statement or as otherwise specified by the program/service. If you need to make special arrangements for payment, you may contact our Billing Department/Client Account Offices to determine if you are eligible for a mutually agreeable alternative payment plan. Partial payments may be accepted and applied, without waiver, at the discretion of Tellurian. Acceptance of any partial payment shall not extend any time period, cure any default, or be deemed to satisfy any remaining balance due. If any balance on your account is over thirty (30) days past due, your account will be in default and may be referred to a collection agency.
4. We accept payment by check, cash, money order, debit cards or credit cards (Visa, MasterCard, or American Express).
 - a. **Payment by Check.** If payment is made by check and it is returned or declined for any reason, your account will be charged up to the applicable state maximum legal limits, whichever is lower, in addition to any costs assessed or charged by any depository institution. When you pay by check you also authorize Tellurian, if your check is dishonored or returned for any reason, to electronically debit your account for the amount of the check plus a processing fee of up to the state maximum legal limits (plus any applicable sales tax). PLEASE NOTE: The above language authorizes an electronic debit to your account for the amount of the check plus the state-allowed recovery fee. In accordance with the rules of the National Automated Clearing House Association, this authorization is to remain in effect until Tellurian has received written notice of termination in such time and in such manner to afford us a reasonable opportunity to act on it. This does not, however, mean that Tellurian cannot collect a returned check fee by other methods.
 - b. **Payment by Credit or Debit Card/Credit or Debit Card on File.** When you pay by 'Credit or Debit card to be held on file' you agree to keep the credit or debit card

information current, and you authorize Tellurian to securely store your credit or debit card information, and only charge it should you have an outstanding balance or any leftover balance from a processed claim in the future. The storage system used is fully compliant to the highest level of credit card storage security regulations. Once stored, only the last five digits of your credit card are viewable by Tellurian personnel. You understand that you are responsible for all charges for services that you receive from Tellurian, and if the patient responsibility portion of your charges (including charges applied to your deductible and/or coinsurance) is not paid in full within thirty (30) days following receipt of the financial responsibility statement, then Tellurian will bill your stored credit or debit card for the outstanding balance due.

5. **Additional Charges.** Clients may incur and are responsible for the payment of additional charges at the discretion of Tellurian including but not limited to: (i) charges for returned checks; (ii) charges for a missed appointment without 24 hours advance notice; (iii) charges for extensive phone consultations and/or after-hours phone calls requiring treatment, or prescriptions; (iv) charges for copying and distribution of client medical records; (v) charges for extensive forms preparation or completion; or (vi) any costs associated with collection of client balances, all as allowed by law.
6. **Non-Payment on Account.** Should collection proceedings or other legal action become necessary to collect an overdue or delinquent account, you understand that Tellurian has the right to disclose to an outside collection agency or attorney all relevant personal and account information necessary to collect payment for services rendered. You are responsible for all costs of collection including, but not limited to: (i) late fees and charges and interest due as a result of such delinquency; (ii) all court costs and fees (but only to the extent allowed by law); and (iii) a collection fee to be charged under separate agreement with a third-party collections agency, either as a flat fee or computed as a percentage of the total balance due up to the maximum allowed by applicable law, and to be added to the outstanding balance due and owing at the time of the referral to the third party collection agency. You acknowledge that any such interest assessed on the account will be a late fee as a result of default or delinquency on your account, and is not deemed interest as part of a credit transaction. If your account is referred to a collection agency, attorney, court, or the past due status is reported to a credit reporting agency, it may have an adverse effect on your credit history; and related portions of your account, including the fact that you received treatment at our offices, may become a matter of public record. Failure to comply with any of these policies may also result in a Credit Withdrawal of Care.
7. **Authorization to Contact.** You authorize Tellurian personnel to communicate with you by the preferred communication method you have listed on file. Tellurian, or any agent or servicer of your client account, may use any information you have provided, including contact information, e-mail addresses, cell phone numbers, and landline numbers, to contact you for purposes related to your account, including debt collection. You authorize Tellurian to use this information in any manner consistent with the information you have provided, including mail, telephone calls, e-mails, or text messages. You expressly consent to any such contact being made by the most efficient technology available, including automatic dialing/e-mailing or similar equipment, or pre-recorded or other messages, even if you are charged for the contact.
8. **Financially Responsible Party.** If this or a separate Tellurian Financial Responsibility Statement is signed by another person, on your account, then that co-signature remains in effect until cancelled in writing. Cancellation in writing shall become effective the date after receipt, and shall apply only to those services and charges thereafter incurred. By signing as a financially responsible party, you hereby guarantee the full and prompt payment to Tellurian of all indebtedness of client to Tellurian, whether now existing or hereafter created

(the "Indebtedness"); and you further agree to pay all expenses, legal or otherwise, incurred by Tellurian in collecting the Indebtedness, in enforcing this guaranty, or in protecting its rights under this guaranty or under any other document evidencing or securing any of the Indebtedness. This guaranty shall be a continuing, absolute and unconditional guaranty, and shall remain in force and effect until any and all said Indebtedness shall be fully paid. There shall be no obligation on the part of Tellurian at any time to first exhaust its remedies against Client, any other party, or any other rights before enforcing the obligations of the financially responsible party.
